SCHOOL OF JAZZ MUSIC

DCPL07 FIRST LEVEL ACADEMIC DIPLOMA COURSE IN

JAZZ SINGING

Training objectives

At the end of the studies relating to the first level Academic Diploma in Jazz Singing, students must have acquired the knowledge of the techniques and specific skills that allow them to concretely realize their artistic idea. To this end, particular emphasis will be given to the study of the most representative repertoire of singing for popular music - including ensemble singing - and the related performance practices, also with the aim of developing the student's ability to interact within musical groups differently composed. These objectives must also be achieved by promoting the development of perceptive hearing and memorization skills and with the acquisition of specific knowledge relating to the organisational, compositional and analytical models of music and their interaction.

Specific care must be dedicated to the acquisition of adequate postural and emotional control techniques. At the end of the three-year period, students must have acquired in-depth knowledge of the stylistic, historical, general aesthetic aspects relating to their specific major. Furthermore, with reference to the specificity of the individual courses, the student must possess adequate skills relating to the field of improvisation. The training objective of the course is also the acquisition of adequate skills in the field of musical information technology as well as those relating to a second community language.

Employment prospects

The course offers the student employment opportunities in the following areas:

- Jazz and popular solo instrumentalist
- Instrumentalist in jazz and popular groups
- Instrumentalist in jazz and popular orchestral ensembles
